Curry Blake

Curry Blake is considered by thousands to be the foremost authority on the subject of healing and the life of Dr. John G. Lake. The leadership of John G. Lake Ministries was passed on to Curry R. Blake due to a prophecy given by Dr. Lake about one year before he went home in 1935. To date, between the two men and those they have trained, this ministry has over 1 million healings/miracles as testimonies.

Born April 1, 1959 in Jasper, TX. At 17 months of age Curry was hit by an automobile in the driveway of his grandparent's home. Curry's father did not see him as he was backing out. The car ran over his head, ripping his right ear off. The car's wheel pinched his scalp to the point that it ripped from his right ear to his left ear. This ripping caused his scalp to be pulled down across his forehead to the top of his eyes.

Curry's grandfather came out of the house, picked Curry up, picked up his ear, put him in his truck and drove him to the hospital. The doctor's told Curry's mother to buy a casket and plan his funeral because there was no way he could survive such extensive brain damage.

Curry's mother, a Pentecostal, began to pray. She told God that if He would spare Curry's life, she would raise him and train him to serve Him. The doctors came out of surgery to tell her that if he lived, he would be completely handicapped and that someone would have to care for him the rest of his life. The doctors went back to surgery and Curry's mother went back to praying. This time she said, "God, if you're going to let him live, then heal him completely."

After some time, the doctors returned saying, "Well, we can't find any signs of brain damage, but, if he lives and even if he doesn't have any brain damage, he will never have any hair and he will never hear out of his right ear." Once again his mother began praying. She told God, that if He was going to let Curry live, that he would be of no use to Him unless he was completely healed. *Unknown to the Blake family at the time, this event occurred exactly 25 years after Lake had given a prophecy that included the following: "A young man will be born that will be filled with the Spirit and the mind of God. He shall not only continue the flow of this ministry, but he shall carry it to even greater depths. The enemy will try to kill him a score and five years from my death."*

Today, Curry is totally and perfectly healed! It is believed beyond any doubt that Curry is that young man spoken of in John G Lakes prophecy.

Since 1997 Curry has been travelling and training Christians using John G Lakes teachings how to minister healing to the sick. Thousands of DHT's have been trained around the U.S. and the world. Over 30,000 healings per month are being reported by these average men and women of God. Every type of disease has been healed and several dead have been raised.
